RE: 515 (517) N Midland Ave. (Bumgardner Ground Mounted Solar)

Project Narrative:

Proposed ground mounted solar array for residential property located at 515 (517) N Midland Ave. Upper Nyack, NY 10960. Total system size will be 18.48kW consisting of (44) 420W REC panels with 2 SolarEdge inverters. Panels will cover 913.88 sq. ft. in the rear of the yard with no visual from side neighbors. Panels include anti-glare coating with black framing. Panels are proposed to be installed in symmetrical and uniform arrays. Please refer to the attached engineering plans provided for layout specifications.

Sincerely,

A handwritten signature in black ink, appearing to read 'Courtney Roberts', written in a cursive style.
