Note: The deck will be made from Trex components, so I attached portions of their literature. The decking itself is Havana Gold, which can be see on the first page of the "Trex Decking" document. The railings are "Look B" in the "Trex Railing" document, with black aluminum posts and infills, with a Havana Gold cocktail rail to match the deck. The edge posts will look like the larger posts in "Look A" in that deck, but in Charcoal Black.
